Academy Parent Letter/Highlights

Welcome to February! We are so happy to begin a new month in 2025. As we move forward this month we would like to go over a few reminders. If your child is sick please keep them home. We are doing everything that we can to keep all of the children safe and this is one big step you can help us with.

We are still in the winter months although it feels like spring may be here faster than we think. Please send your child to school dressed appropriately with warmer clothing and a jacket. Also please, make sure their extra clothing is weather appropriate and still fits. Over the years we have had several instances of children needing clothes and its not the right season, it is too small or even they do not have clothing to change into. We do not always have spare clothing so please know that is any of these happen we will be calling.

This month our Character Essential is: We are Unique. The goal this month is to help the children realize how they are unique individuals with different abilities and personalities. Our focus will be to help them develop a sense of self, build their self-esteem, and encourage them to feel comfortable expressing themselves. The children will recognize the value of individuality and creativity. They will share their talents and express humor with each other.

- Individuality: having qualities that make someone or something different from all others
- Creativity: developing and expressing one's self and ideas in new ways
- Talent: having a special ability that allows someone to do something well
- Humor: expressing and understanding what is funny or amusing

A few things to note this month; we will be having our annual Sweetheart party on February 14th. This is a fun day for the preschoolers as they get to pass out fun cards to their friends. Please see your child's teacher for how many students are in the room.

February 17th we will be closed to our families for a staff training day. We will return with our current business hours on February 18th. We do appreciate you all allowing us the time to train our staff and clean the rooms thoroughly along with the janitors cleaning nightly.

As always our doors are always open for any concerns or comments you may want to discuss. We are always happy to help.

Ms. Mel and Ms. Zoey

Classroom Updates

Welcome to February Shark Families. This month is going to be so much fun as we move into our Nursery Rhyme unit! We will focus on letter Q and letter R. Colors: pink and purple. Numbers 1-10. Shapes: star and diamond.

Our Character Essentials is We Are UNIQUE. At this stage a two-year-old's personality is shining through. Every child is a unique individual. Children are beginning to discover their likes and dislikes, creativity, curiosity, fears, talents, and sense of humor. Teachers can encourage a child's individuality through his or her interactions and by listening to each child and supporting the child's interests. Children at this stage need the support of trusted adults to nurture and encourage the development of their unique qualities. We will focus on attributes of being unique: humor, talent, individuality and other things that make us unique.

We will be hosting our Father/Daughter Mother/Son dance on February 7th. Valentines Day Feb. 14th, is on Friday this year. If you would like your child to participate in a valentine exchange, please bring 15 cards that simply says : to my friend from: child's name. Or you can leave the To blank. We will be having our annual Sweetheart Party that day, please check out our sign up sheet to help make this party fun!

The center will be closed on Monday February 17th (President's Day), for a staff development day. We will be returning on Tuesday February 18th.

Please remember to send a sheet and blanket for nap. This is a license requirement from the state. Please be sure to send an extra pair of clothes to have in their cubby. It's also helpful to have a back pack or cloth reusable grocery bag for storage. If you are sending your child with a reusable water bottle please make sure your child's name is written on the bottle. We are having a lot of similar cups or bottles brought in and we do not know who they belong to.

If your child no longer has an allergy or sensitivity to a food item please update the paperwork so we can update or chart. If you have any questions or concerns please let me know.

Ms. Ellen

Classroom Updates

Hello February Stingrays!

The goal this month is to help the children realize how they are unique individuals with different abilities and personalities. Our focus will be to help them develop a sense of self, build their self-esteem, and encourage them to feel comfortable expressing themselves. The children will recognize the value of individuality and creativity. They will share their talents and express humor with each other.

- [] Individuality: having qualities that make someone or something different from all others
- [] Creativity: developing and expressing one's self and ideas in new ways
- [] Talent: having a special ability that allows someone to do something well
- [] Humor: expressing and understanding what is funny or amusing

Dates to Remember

7th Father/Daughter, Mother/Son Dance

14th Sweetheart Party

17th Presidents Day closed

February Birthdays

Maclovia 16th

In other notes, we are adding to our walls in our classroom, photos of our student families and how they are connected to the community. We are looking for photos of parents and/or family members in work attire or uniform to go along with work related buildings such as police departments, doctor offices, schools, generic business offices, etc. We will be collecting these photos by either bringing the physical copy in or you can email us a photo and we can print it here! Please include what type of work you do so we can make sure the photo is connected to the correct building type. If you have any questions, please feel free to let me know.

Thank you so much for letting us be apart of your world!

Ms. Tonna
