

February 2025

pictures of the month

Black History Month was created to focus attention on the contributions of African Americans to the United States. It honors all Black people from all periods of U.S. history.

We celebrated 100 & 101 Days of School with our toddlers and preschoolers!

The children had fun watching the Lion dancers performance for the Lunar New Year!

Random Act of Kindness Week Feb. 17-21

Random acts of kindness are important because they help develop empathy, build positive social connections, boost self-esteem, and teaches the value of making a positive impact on others, all while fostering a sense of well-being and happiness. Here is a read-aloud book for everyone to enjoy!

ICDI-A had a fun sensory activity and painted on bubble wrap for Nat. Bubble Wrap Day.

The children in ICDI-B learned about Martin Luther King Jr. and all his contributions.
